Dear Madam:

We are in receipt of your letter of recent date regarding birth record of a child born October 3, 1920.

In reply, you are advised that we have a certificate here which could possibly be for the child you mention, however there are several differences occuring.

The mother of this child is Mame Jewett and the father is George Hunter of Montpelier. The child was born October 1, 1920, Dr. Ashley attending. There is no name on the certificate and the sex is given as female.

If there is no connection, please let us know and we will forward a certificate which you can fill out for registration. If this is correct, please let us know and the certificate now on file will be adjusted.

Very respectfully,

P.W. Almond M.D.

Dear Sir; - I am quiet sure that the child mentioned in your letter is a certificate of our child but the infomation ~~is not correct~~ as the child was born Oct. 3 - 1920 and was male. if you will send me a certificate I will fill it out correctly with name & all. The name of the mother is only from a nickname as my name is Lizzie and I have always been called Mamie.

Resp.
